## AKC NEWS

The AKC Board approved making the pilot programs for Virtual Rally a permanent addition to AKC's sport offerings. Evidence indicates the virtual offerings have been successful in attracting new dog owners to AKC sports.

AKC Lure Coursing. The Board voted to approve a recommendation from the Ibizan Hound parent club, to specify the eligibility age for Ibizan Hounds entering the Veteran Stake to be at least seven years old..

New rules, effective 1 September 2021, for FAST CATs. Limiting Participation for Timers, Lure Operators and Paid Event Secretaries: (1) Individuals involved with timing - Currently an individual cannot operate a timer or record the time for their own dog or a dog owned by a family or household member. This is being extended to include that an individual cannot operate a timer or record the time for the same breed they, or any member of their immediate family or household, own or co-own, if their dog is entered in the event. (2) Lure Operators - Currently an individual cannot operate the lure for their own dog or a dog owned by family or household member. This is being extended to include that an individual cannot operate the lure for the same breed they, or any member of their immediate family or household, own or co-own, if their dog is entered in the event. (3) Paid Event Secretaries - Dogs owned or co-owned by a paid event secretary, or any member of their immediate family or household, are not eligible to enter an event where the individual is the event secretary. Paid means the person is compensated in any manner, whether directly from the host club or as part of a service provider team. Also, a new rule that at the start, the lure must be resting in front of the dog. When the lure starts to move, the dog may be released. Hot starts where the dog is released as the lure passes the dog are not allowed.

The Board approved a new Virtual Scent Work Test (VSWT) pilot program, that will last one year Effective August 2, 2021. There are three test levels– Beginner, Intermediate and Experienced. For the Beginner level, the dog must find one article inside the home at floor level within one and a half minutes in one search area. At the Intermediate level, the dog must find two articles outside the home at a height range of one to two feet in two and a half minutes. At the Experienced level, the dog must find three articles inside and outside the home, within three minutes and across three search areas at a height range of two to three feet. A search area is a defined space within a home such as a garage, living room or bedroom or space outside the home such as a yard, driveway or patio. This is a pass/fail test that can be performed by dog owners in their own home according to basic testing criteria. Three suffix titles at three difficulty levels would be offered – VSWB (Beginner), VSWI (Intermediate), and VSWE (Experienced). A higher-level title will supersede a lower title on the dog's pedigree.
