### AKC NEWS

Effective March 1, 2023, Obedience Regulations

CHAPTER 1 Section 31. Stewards. Judges are in sole charge of their rings until their assignments are completed. Stewards are provided to assist but may act only on the judge's instructions. They must not give information or instructions to owners and handlers except when the judge asks them to do so. Any request from an exhibitor for special consideration must be directed to the judge. It is the judge's responsibility to review with the stewards their duties and the way those duties are to be performed. When a dog leaves its handler to leave the ring, the stewards' safety is a priority, and they must be advised not to reach for or grab a dog to stop it. At a show with ring gating, if the stewards are near the open gate area when a dog leaves its handler, and the dog is not responding to its handler's commands, the judge may advise the stewards to block the gate to prevent the dog from leaving the ring if it is safe to do so.

Chapter 2 Section 25 Misbehavior (new wording added) A dog who has left its handler to leave the ring, who is not responding to its handler, and/or the stewards have blocked the dog to keep it in the ring, must receive a nonqualifying (NQ) score and must be released from the ring.

An 18-month pilot program, allowing tripod dogs to participate in the non-jumping obedience and rally classes, was approved by the AKC Board of Directors, beginning July 1, 2023, and ending December 31, 2024. The sport specific regulation language in Chapter 1, Section 17 will be amended to read: Dogs disfigured as the result of accident, injury, or illness are eligible to compete provided the disfigurement does not interfere with functional movement. A dog that shows no signs of physical discomfort is to be considered fit to compete. The judge must excuse a dog as "unfit to compete" if the dog demonstrates sickness, discomfort, or pain while performing. All Obedience and Rally judges will receive notifications and regulation inserts will be published.

The same wording will be added to the RALLY REGULATIONS Chapter 1, Section 33 and Chapter 2, Section 19.

**Lure Coursing, chapter 12**, Section 4. Determination of Championship Points. For events held on or after March 1, 2023, championship points will be earned according to six Regions. The breakdown of states per Region are as follows:
